Dear Parents, A STEP TOWARDS CLEAN INDIA

Education is a two way process where both the teachers and parents play an equally Important role in teaching the child the basic essentials of life. Our Prime Minister has launched 'Swachh Bharat Campaign' 5th October onwards. Our children have already become a part of it and have taken many initiatives. They have made their classes a 'Zero Waste Zone' and are taking extra care of their personal hygiene. In this endeavour of theirs we would like you to play a supportive role and encourage them to keep their rooms and home clean. You will be happy to know that from tomorrow our children are going to start cleanliness week.

School is celebrating **CLEANLINESS WEEK** in the month of **OCTOBER** for **Pre-Nursery, Nursery and Prep**. You are requested to send the material required regarding the same.

Date and day	Activities	Material required
20/11/2017 , Monday	English recitation competition	Learn the poem of " Bits of paper"
